

# STUDY 1 (no feedback session)

## SESSION 1

Web-based experiment interface and backend (PHP + HTML/JS)

Participated in current or previous experiments → cannot participate

timescalegood.biasform

timescalegood.demobl

timescalegood.demovertical

timescalegood.biastrials

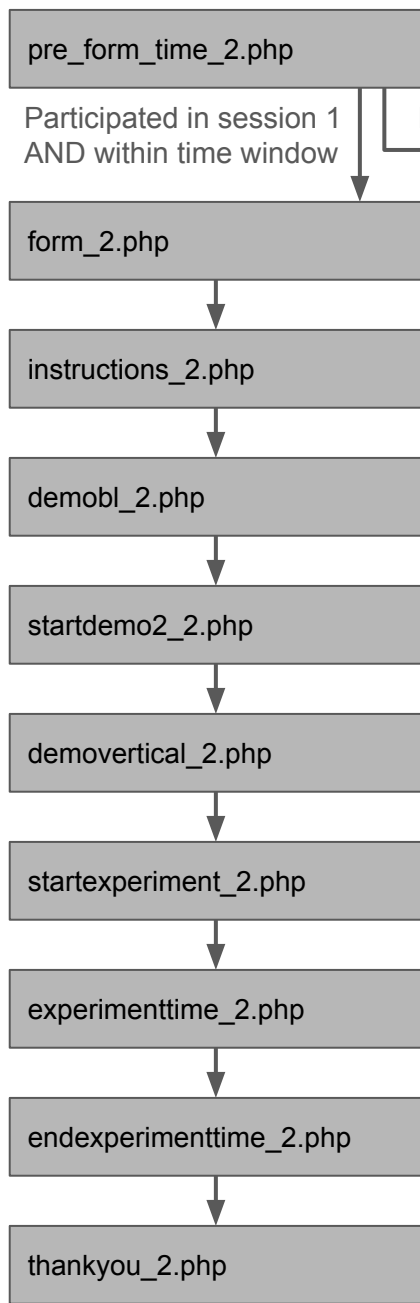

timescalegood.data2

timescalegood.expcomments

Relational database storage (SQL)

## SESSION 2

Web-based experiment interface and backend (PHP + HTML/JS)

Cannot participate: Display time slot / 'passed time slot' message / not identified.

timescalegood2.biasform

timescalegood2.demobl

timescalegood2.demovertical

timescalegood2.biastrials

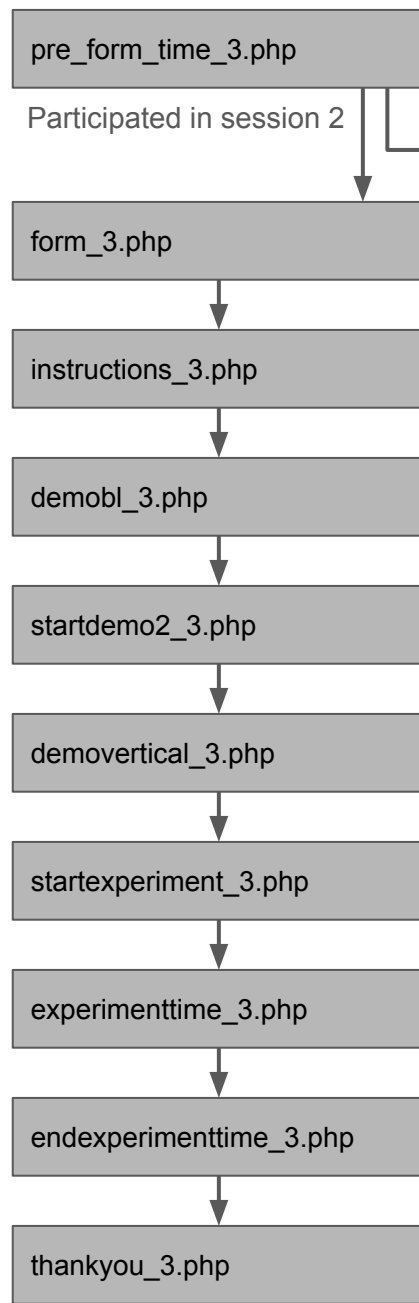

timescalegood2.data2

timescalegood2.expcomments

Relational database storage (SQL)

## SESSION 3 (subsample)

Web-based experiment interface and backend (PHP + HTML/JS)

Cannot participate: Display 'not identified' message.

timescalegood3.biasform

timescalegood3.demobl

timescalegood3.demovertical

timescalegood3.biastrials

timescalegood3.data2

timescalegood3.expcomments

Relational database storage (SQL)
